Attency

Your Full-service
Marketing Agency

Who we are

Attency LLC is a New York City-based marketing and communications firm specializing in data-driven, culturally intelligent strategies that help brands connect with diverse audiences across the global markets. Through a hybrid model of project-based engagements and long-term strategic partnerships, we deliver scalable solutions that drive visibility, engagement, and cross-border growth.

Our Services

(For brands)

1. Brand Strategy & Localization

From positioning to storytelling — building culturally relevant brands that resonate across markets.

2. Media & PR Marketing

Developing strategic media narratives that turn brand visibility into long-term credibility and authority.

3. Social Media & Influencer Marketing

City-focused content and influencer collaborations that drive engagement.

4. GEO (Generative Engine Optimization)

Monitor, optimize, and grow your visibility across AI search and recommendation ecosystems.

5. E-commerce Growth

Accelerate scalable growth across Amazon and TikTok Shop.

6. Event Planning

Creative concepts, seamless execution — events that leave a mark.

(For Individuals)

7. Personal branding building

Building visibility, credibility, and influence for founders, creators, artists, and public figures.

Why us

Attency combines media, creators, AI-driven distribution, and localized market strategy to **help companies expand across borders** with relevance, credibility, and long-term impact.

Global Media & Creator Network

Access to **1,000+ media outlets** and **5,000+ creators** across the U.S. and international markets

Proven Market Activation Experience

40+ events executed and **50+ brands supported** through local market expansion and audience engagement

Cross-Market Localization

U.S. and China-based teams delivering culturally adaptive storytelling and localized brand strategy

From Attention to Authority

A strategy-first approach designed to turn short-term attention into lasting brand authority
